3rd Best Engineering University 2025

HARBIN INSTITUTE OF TECHNOLOGY LONG-TERM CHINESE LANGUAGE PROGRAM

PROGRAM HIGHLIGHTS

Scientific classification and teaching according to individual aptitude. Three levels of junior, middle and senior high school are set up, subdivided into 6-7 teaching levels, so that every student can study efficiently in the class suitable for his/her level.

Courses are comprehensive, covering both language and culture, they include core language courses such as comprehensive Chinese, listening, speaking, reading, and writing, as well as cultural courses on Chinese actual national conditions such as HSK preparation courses, overview of China, and traditional cultural experiences.

Interactive teaching focusing on communication training. With situational simulation, group discussion, multimedia and other teaching methods, the course aims to improve the practical ability of language use, and the classroom is lively and interesting.

Professional teachers and personalized support. The teaching team flexibly adjusts the teaching direction according to students' level and goals, and provides comprehensive learning and life guidance.

LEARNING OUTCOMES

After 16 weeks of systematic study, you will not only be a "learner" of Chinese, but also a "user" of Chinese!

- ✓ **Confident communication**
- ✓ **Comprehensively improve reading and writing skills**
- ✓ **High scores in HSK**
- ✓ **Master cross-cultural communication skills**

Here, in 16 weeks, you will truly fall in love and find the beauty of Chinese language and know about China!

QUALIFICATIONS
