Chinese Language Program

2025.06.30-07.26

哈工大

你好

WELCOME TO HIT!

Harbin Institute of Technology

One of China's first 6 leading universities
A member of China's Top Nine University Union (C9)
Double First-Class Construction - Class A University
No.5 in the U.S. News Best Global Universities for Engineering

About Harbin

GEOGRAPHICAL LOCATION

The largest city in the Northeast China ,
Known as the Little East Paris & Ice City.

LANGUAGE ADVANTAGE

Harbin is one of the most standard Mandarin-speaking cities in China. If you want to learn standard Mandarin, HIT is the best choice.

CLIMATIC CHARACTERISTICS

Harbin has four distinct seasons, with cool summers and cold winters. Winter in Harbin is the most charming.

TRANSPORTATION

Important Railway Hub. Convenient transportation (access to the entire country). 35 KM from the Airport.

Harbin Institute of Technology

Summer Short-term Chinese Language Program

Traditional Chinese Cultural Experiences

Traditional Chinese Cultural Experiences include : Traditional costumes..... paper cutting, origami, painting fans, drawing faces.

Curriculum Characteristics

Practical Language Application:

Emphasis on practical language skills, enabling students to use Chinese in real-life situations, such as daily conversations, travel, and basic workplace scenarios.

Cultural Excursions:

Beyond classroom learning, programs may include field trips or excursions to culturally significant sites, allowing students to apply their language skills in authentic cultural contexts.

Language Immersion:

Total language immersion experiences, where participants engage with locals, further enhancing their language skills through real-world interactions.
